

Round 1 | Co-op Job Search Checklist

1

Refresh Your Knowledge

- Log into the Co-op Job Search Module in Brightspace and review the *Key Co-op Processes* and *How to Use HireAC* sections.
- Review Co-op Terms and Conditions to revisit your responsibilities during the Co-op Job Search term.
- Check the [Important Co-op Dates](#) Page. Add key job search deadlines to your calendar.

2

Review and Update Your Job Search Documents

- Ensure your resume, cover letter, and LinkedIn profile are current and reflect your most recent experiences, skills, and accomplishments.
- Use the feedback and strategies you received in GEP1001 – Cooperative Education and Job Readiness or seek additional feedback to improve the quality and impact of your documents.

3

Build a Job Search Strategy: Set Up a Plan and Tracking Tool

- Use a spreadsheet, the Job Search Tool provided in the Co-op Job Search Module, or other tools such as Trello board to plan and organize your job search.
- Identify external job boards that you can use for your job search, in addition to HireAC.
- Explore on and off-campus networking opportunities to enhance your job search.

4

Apply to Co-op Jobs in HireAC by the Deadline

- Log into HireAC daily to review and apply to Co-op job postings that are posted for the Round 1 deadline.
- A good starting point is to apply to at least 6 jobs posted in HireAC. However, ideally, aim to apply to more than the minimum.
- Focus on quality over quantity—apply to jobs that genuinely interest you and align with your skills and goals.

5

Attend Job Search Workshops and Reach out for Support

- Attend Co-op job search workshops to strengthen your skills in using HireAC, resume writing, interview preparation, networking, and more.
- If you have questions or need personalized guidance, don't hesitate to reach out to your [Co-op Student Advisor](#).
